Old pictures from students in 1958  
Thank you Peggy Soloman of CA for this find! We are estimating that this would have been the last class in the old building, prior to the occupation of the current building. Students in this photo would be about 71 years old now. Help us identify them.

**Principal's Corner**

Another year has past. We are preparing to enter into summer vacation mode. A time for relaxing, rejuvenating and reflecting on another successful year. The school will get cleaned and new books and supplies will begin arriving soon. The hallways will be shiny and ready as we await the students' return. Next fall we will be hosting the accreditation team as they evaluate our programs. I am so pleased with all the dedication and commitment the staff, families and students have for Saint Paul's Catholic School. It will be an honor to showcase our school to this team from all over New England. We value and appreciate your continued prayers and support.

-Joanne Beloin, St. Paul's Catholic School Principal

**Pastor's Corner**

My friends, I send my greetings once again. Please pray for our students and families; thank you for all the prayers you have said. This spring I write a particular message. Let us guard against the sin of ingratitude. One of my favorite scripture quotes is from the book of Tobit. "Do not be slow to give the Lord thanks" (Tobit 12:6b). The thing that will build up our community and make it stronger is to heed this exhortation, sincerely, not for any self-serving purpose. I am grateful that large group of our graduates just received confirmation from the bishop, a number beyond recent precedents. Please join us for Mass on June 10th when the bishop makes a parish visitation, and indeed, join us for Mass before that! God bless you. Fr. Tim Naples
