

Saint Paul's Catholic School invites
YOU to help us celebrate!

Established in 1896, we will be starting our 125th year this Fall.

Saint Paul's Catholic School

is entering our 125th year this year.
Would you be able to join us with a
\$125 gift to celebrate?

Students are returning from the
Covid Shut Down in the Fall with
new world views and perspectives.

Our teachers have been instrumental in supporting our
community, the families and students through this
crisis. Many families have felt this financial impact and
could use some help from our scholarship fund.
Maybe consider sending a tax deductible donation to
sponsor a student's:

- ◆ Tuition for \$4500;
- ◆ Meals all year for \$1000;
- ◆ Book and registration fee for \$350.

God Bless you!
